Change in School Timing

Dear Parents

School will resume classes in PHYSICAL mode from Monday, 15 January 2024. However, in view of the prevailing foggy conditions, a one-hour delay in the arrival and dispersal timings for students is being implemented.

Effective immediately, students are required to report to school at 9:20 a.m. instead of the regular 8:20 a.m. Additionally, the dispersal time will also be delayed by one hour. We kindly request your cooperation in ensuring that students adhere to these adjusted timings.

The safety and well-being of our students are of utmost importance, and this decision has been made to ensure a secure and comfortable environment for everyone. We appreciate your understanding and cooperation during this time.

With warm regards
