Parental Circular – Resumption of Offline Classes (Hybrid Mode)

Dear Parents/ Guardians

Greetings of the Day!

All classes will **resume in physical form, according to the regular schedule, from Wednesday, 27 November 2024.** However, any parent / guardian who wishes to continue with Online Classes for their ward, is requested to visit School Reception, as the necessary arrangements for the same will be made only after ascertaining the number of students opting for Online Classes.

Considering the adverse impact of screen time on our tiny tots and many benefits of physical classroom teaching and learning, we request parents to prioritize sending their wards to school.

Thank you for your unwavering support.

Warm regards
